ABOUT COOK'S

Cook's Fire Oven & Grill, formerly Happy Cook's Catering, opened its restaurant doors March 2018. Their catering business however has been operating since October 2015. With a wide variety of menu options Cook's has something for every event. With an eye for detail and years of cooking experience Cook's promises you'll leave your event happy and full!

The following items are some of our most popular options. Please contact us if you would like something you don't see. We can also add or substitute side dishes, change main meat options and more. Prices may vary depending on taxes & fees, add ons or substitutes. All prices include paper plates, plastic utensils, & paper dinner napkins.
